MEMORANDUM FOR: Director, Office of Current Intelligence
SUBJECT: Chairing of Watch Committee

I shall be away from Washington for the Watch Committee meetings of August 25, September 1, and September 8, 1965. During this period, the chair is scheduled to pass to the Department of State member. As has been State's past practice, they have deferred, and under these circumstances the chair reverts to CIA. Accordingly, I request you chair the Watch Committee on these dates.
